

I See the Light

Bethel Music

I see the Light
I'm your delight
You chose me
I've seen the Light
I've seen the Light
Yea

Shame told me otherwise
Said that You're mad that I can't change Your mind no matter how hard
I try
Shame told me otherwise
But I don't listen to lies now
I don't listen to lies now
And they're falling aside now

Cause I've seen the Light
You're on my side
You're for me
And I've seen the Light
I am Your prize
You've chose me

And I've seen the Light
And I'm Your delight
You love me
And I've seen the Light
You'll be with pride when You look upon me

And I've seen the Light
He's on our side
He's for us
And I've seen the Light
He's full of pride when He looks on me

Because He loves me
He loves me
He loves me
I know He loves me
He loves me
He loves me
Oh I know He is for me
He is for me
He is for me
And I've seen the Light

And I believe it now
Beyond a shadow of a doubt
That You love me, that You love me
I've seen the Light
I've seen the Light
