

Emotionally Yours

Bettye Lavette

Come baby, find me, come baby, remind me of where I once begun
Come baby, show me, show me you know me, tell me you're the one
I could be learning, you could be yearning to see behind closed
doors

But I will always be emotionally yours

Come baby, rock me, come baby, lock me into the shadows of your
heart

Come baby, teach me, come baby, reach me, let the music start
I could be dreaming but I keep believing you're the one I'm liv
ing for

And I will always be emotionally yours

It's like my whole life never happened
When I see you, it's as if I never had a thought
I know this dream, it might be crazy
But it's the only one I've got

Come baby, shake me, come baby, take me, I would be satisfied
Come baby, hold me, come baby, help me, my arms are open wide
I could be unraveling wherever I'm traveling, even to foreign s
hores

But I will always be emotionally yours
