

It Ain't Me Babe

Bettye Lavette

Go on away from my window
Leave at your own chosen speed
I ain't the one you want, baby
I don't think I'm the one you need
You tell me you're lookin' for someone
Never weak but always strong
To stand up and defend you
Whether you're right or wrong
Somebody to open every door
But it ain't me, babe
No, no, no, it ain't me, babe
It ain't me, babe, you're lookin' for
Go on lightly from the ledge, baby
Go lightly to the ground
I ain't the one you want, baby
I won't nothin' but let you down
You tell me you're lookin' for someone
Someone who'll promise never to part
Someone to close her eyes for you
Somebody to open up your heart
Somebody who'll die for you an' more
But it ain't me, baby
No, no, no, no it ain't me, baby
I ain't the one you're lookin' for, babe
Gonna melt back into the night, baby
Everything inside me is made of stone
There ain't nothing in here movin'
An' anyway I ain't alone
You say you're looking for somebody
Who'll pick you up every time you fall
To gather flowers constantly
An' come each time you call
A lover for your
A lover for your life an' more
But it ain't me, baby
No, no, no, no, no, it ain't me, baby
Ain't me, baby
It ain't me, baby
It ain't me, baby
No, no, no, no, no
No, no, no, no, no
No, baby
It ain't me, baby
I ain't who you're lookin' for
No, no, no, no, no
No, baby
