

## Just Say So

Bettye Lavette

If you want me tonight, just say so  
If you want me to turn down the light  
Just let me know

If it's music you wanna hear  
I can slip some on  
If you can hold me tenderly

But if somethin' ain't right  
Just say so  
If I'm wastin' my time  
You've gotta let me know

If you're hidin' inside  
And your sweet love has died  
And you want me to go  
Daddy say so

C'mon here darlin'  
Don't you think it's bout time?  
You told me exactly  
What's on your mind

Cause if something has changed  
Just say so  
If you don't feel the same  
Just let me know

If it's freedom you want  
I can soon be gone  
If you can go right on without me

But if I can pour us a drink  
Daddy say so  
If you need a little time to think  
Just let me know

After thinkin' the whole thing through  
If you find you still love me too  
And you wanna hold me close daddy  
Say it, say it, say it, say it
