

## We Can Try

### Between the Trees

What would you say if I told you that all I've thought about  
Is you since you've been gone?  
I wish in ways, somehow I could turn this world right back around  
And mend mistakes I've made

So I could say to you that  
I know, things aren't quite like what they used to be,  
Different faces, different places.  
Yeah we can try, oh, yeah we can try.

What would you say if I told you I'm not giving up  
However long it takes  
It's clear that things have changed since when we started  
But we can't just walk away babe

So I am telling you that,  
I know things aren't quite like what they used to be.  
Different faces, different places  
Yeah we can try, oh, yeah we can try

I know things aren't like what they used to be  
Different places, different faces  
Yeah we can try, oh, yeah we can try

I know things aren't quite like what they used to be  
Different faces, Different places  
Yeah we can try, oh, we can try

I know things aren't quite like what they used to be  
Different places, different faces  
Yeah we can try, oh, yeah we can try

I know things aren't quite like what they used to be  
Different places, different faces  
Yeah we can try, oh, yeah we can try
