

# Speechless

Beyoncé

You've got me  
You've got me  
You've got me  
You've got me speechless

Where you been baby  
Waited for you all day  
Waited for you to use the key  
That opens my place  
My heart starts trembling  
As I hear your footsteps pace  
Lock opened, doorknob turned  
There appeared your face

Going outta my head I think I'm loosing all my mind  
Drive me crazy burning candles making love all night  
Feels so strange it feels so crazy to be in your world  
In your arms lost for words  
You've got me!

You've got me  
You've got me  
You've got me  
You've got me speechless

Laying so closely  
I feel your skin rubbing and touching me  
Only sweat between us  
Feeling you kissing and pleasing me  
I rub your back  
I kiss your neck  
I know that you love when we touch like that  
I can feel you need me  
Feels so good to me  
Feels so good to me

Going outta my head I think I'm loosing all my mind  
Drive me crazy burning candles making love all night  
Feels so strange it feels so crazy to be in your world  
In your arms lost for words  
You've got me!

You've got me  
You've got me  
You've got me  
You've got me speechless

Yes, yes, yes  
Yes, yes, yes  
Speechless, all I can say is  
Yes, yes, yes,  
All I can say is  
Yes, yes, yes, yes

Kiss me  
Hold me  
You've got me
