

Andmoreagain

Bic Runga

And if you'll see Andmoreagain
Then you will know Andmoreagain
For you will see you in her eyes
Then you feel your heart beating

And when you've given all you had
And everything still turns out
Bad, and all your secrets are your own
Then you feel your heart beating

And I'm wrapped in my armor
But my things are material
And I'm lost in confusions
'Cause my things are material

And you don't know how much I love you
Oh, oh

And if you'll see Andmoreagain
Then you will be Andmoreagain
For you just wish and you're up here
Then you feel your heart beating

And I'm wrapped in my armor
But my things are material
And I'm lost in confusions
'Cause my things are material

And you don't know how much I love you
Oh, oh
