

Sway

Bic Runga

Don't stray, don't ever go away
I should be much too smart for this
You know it gets the better of me

Sometimes, when you and I collide
I fall into an ocean of you, pull me out in time
Don't let me drown, let me down
I say it's all because of you

And here I go, losing my control
I'm practicing your name
So I can say it to your face
It doesn't seem right to look you in the eye

Let all the things you mean to me
Come tumbling out my mouth
Indeed it's time to tell you why
I say it's infinitely true

Say you'll stay, don't
Come and go like you do
Sway my way, yeah
I need to know all about you

And there's no cure and no way to be sure
Why everything's turned inside out
Instilling so much doubt

It makes me so tired, I feel so uninspired
My head is battling with my heart
My logic has been torn apart
And now it all turns sour
Come sweeten every afternoon

Say you'll stay, don't
Come and go like you do
Sway my way, yeah
I need to know all about you

Say you'll stay, don't
Come and go like you do
Sway my way, yeah
I need to know all about you

It's all because of you
It's all because of you

Now it all turns sour
Come sweeten every afternoon
It's time telling you why
I say it's infinitely true

Say you'll stay, don't
Come and go like you do
Sway my way, yeah
I need to know all about you

Say you'll stay, don't
Come and go like you do
Sway my way, yeah
I need to know all about you

It's all because of you
It's all because of you
It's all because of you
