

# Howl

Biffy Clyro

Lately it's hard to let you know that I'll never learn  
I am explosive and volatile, I'm on the turn

It's time to squirm, I've backed into a wall  
My cage has spilled it's contents on the floor  
My grave concern's I can't ignore the past  
I'll look into the future to make it last

I'm never gonna sleep again  
I get to do it all wrong  
I'm never gonna sleep again, again

Cause lately it's hard to let you know that I'll never learn  
I am explosive and volatile, I'm on the turn  
So I'm gonna howl like an animal  
Cause lately it's hard to let you know...

There's no return and there's no-one to call  
I picked a phone connected to the gods  
The stitches burst but don't produce a scar  
Why can't I see this time what's done is done?

I'm never gonna sleep again  
I get to do it all wrong  
I'm never gonna sleep again, again

Cause baby it's hard to let you know that I'll never learn  
(I got the rage, I always got the rage)  
I am explosive and volatile, I'm on the turn  
(I got the rage, I always got the rage)  
So I'm gonna howl like an animal  
Cause lately it's hard to let you know...

So I'm gonna howl like an animal  
Cause lately it's hard to let you know...  
Lately it's hard to let you know that I'll never learn  
(I got the rage, I always got the rage)  
I am explosive and volatile, I'm on the turn  
(I got the rage, I always got the rage)  
So I'm gonna howl like an animal  
Cause lately it's hard to let you know that I'll never learn
