

Ticket

Big Audio Dynamite

Ticket bought a ticket
Flew in from J. A.
And we go ribbit

All year holiday
Home in the sun
Had to find work
So I came to England

Ticket that's the ticket
Given the sack
We had to picket

Now we're all on the dole
And there's lots of free time
Everybody is poor
They blame us for the crime

Ticket that's the a ticket
Carry a purse
Someone'll nick it

Ticket bought a ticket
Went to football
And see them kick it

In England the sport - Wembley
Has got a bad name
Violent support
Gonna ruin the game

Wicket we need a wicket
When summer come
They had cricket

Boham is cool
Selectors are spaced
Englands losing again
W. G. Disgraced

Ticket that's the ticket
We'd have too much speed
You have to pick it

Imported by sense
Sent in the mail
Beware of the dog
I got thrown into jail

Ticket I've got my ticket
Been giving you grief
Tell them to stick it

Tell them
Ticket
Tell them

Ticket that`s the ticket
Tell them.....
