**Big Black**

I am Benito  
I am Benito  
I am Benito  
And I like my job  
They gave me this house  
And gave me this car  
They gave me the cities and streets  
When they gave me this job  
I am Benito  
And I like my job  
I am Benito  
And I like my job  
I am Benito  
I am Benito  
I am Benito  
I like my job
