In A Big Country

Big Country

Ha

I've never seen you look like this without a reason Another promise fallen through, another season passes by you

Shock

I never took the smile away from anybody's face And that's a desperate way to look for someone who is still a child

In a big country, dreams stay with you Like a lover's voice fires the mountainside Stay alive

I thought that pain and truth were things that really mattered But you can't stay here with every single hope you had shattered

I'm not expecting to grow flowers in a desert But I can live and breathe and see the sun in wintertime

In a big country, dreams stay with you Like a lover's voice fires the mountainside Stay alive

In a big country, dreams stay with you Like a lover's voice fires the mountainside Stay alive

So take that look out of here, it doesn't fit you Because it's happened doesn't mean you've been discarded Pull up your head off the floor, come up screaming Cry out for everything you ever might have wanted I thought that pain and truth were things that really mattered But you can't stay here with every single hope you had shattered

Shock, 1, 2

I'm not expecting to grow flowers in a desert But I can live and breathe and see the sun in wintertime

In a big country, dreams stay with you Like a lover's voice fires the mountainside Stay alive
