

It's Already Done

Big Daddy Weave

Hope for heartache
Peace for worry
Calm for trouble
Rest for hurry

It sounds too good to be true
But it's waiting right here for you

It's already done, it's already done
The love of the Father revealed in the Son
So open your heart up to His Kingdom come
And won't you receive what He's already done

Life eternal
Love unending
Every morning
A new beginning

It sounds too good to be true
But it's waiting right here for you

It's already done, it's already done
The love of the Father revealed in the Son
So open your heart up to His Kingdom come
And won't you receive what He's already done

For the beat up and broken
The ones who stopped hoping
It's already done, it's already done
For the sick and the needy
The weak and defeated
Stop trying so hard and believe

It's already done, it's already done
The love of the Father revealed in the Son
So open your heart up to His Kingdom come
And won't you receive what He's already done

It's already done, it's already done
The love of the Father revealed in the Son
So open your heart up to His Kingdom come
And won't you receive what He's already done
