

Just The Way I Am

Big Daddy Weave

Unbelievable, I'm blown away, it's true
By the matchless love that I've found in You
Undeniable, the change in me
I've never felt so free

It makes me want to dance
You make me want to dance
When I think about how

You love me, You love me
You love me just the way I am
You love me, You love me
You love me just the way
Just the way I am

Ever patiently accepting me
You love in spite of everything I do
But, oh, so faithfully you're committed
To the process that makes me like You

And I feel like I can dance
Oh, You make me want to dance
When I think about how

Not when I'm good enough
Not when I clean my act up
Not when I cross that line the thousandth time
And become a better man

Your grace is more than enough
To cover all my sins You washed them away
So right here today
You love me just the way I am
