

Blue Water

Big Head Todd and the Monsters

When I was walking by the blue water
I was thinking about you
By the water you can think forever
By the water so deep and blue
By the blue water.

When I was dreaming by the blue water
I was dreaming about you
Yes I dreamed we would love for ever
By the water so deep and blue
By the blue water

We gonna run. We gonna run away
She's been lookin' at me
She's been thinkin' 'bout nobody but me

When I was swimming in the blue water
I remembered the truth
You didn't want me to be your lover
That's why the water is so deep and blue
By the blue water.
