

## Here We Go

Big K.R.I.T.

Thank God for the summertime  
It's like it did it just so I can shine  
I get to it like it's overtime  
It's all word no playing I'm not in your life yesterday  
Thank God for the old school gotta choose where I road to  
I give it to it like I owe you  
It's all word no playing I'm not in your life yesterday

I'm fresh (yeah) and now they looking at me funny  
Like a hustler ain't supposed to get money (real shit)  
We're on the real at same place your layers Prolly the same place that you did (how)  
Come they wanna see me fall in the hell or gunshots I can comprehend (but)  
We not come around they close like you can't literally hear a fucking thing  
How my aura summer that blueberry bubblegum push purple hazel  
Finally they wanna hear something real so we can leave 'em waiting (here we go)

Thank God for the summertime  
It's like it did it just so I can shine  
I get to it like it's overtime  
It's all word no playing I'm not in your life yesterday  
Thank God for the old school gotta choose where I road to  
I give it to it like I owe you  
It's all word no playing I'm not in your life yesterday

I daydream about cash while wake up  
I'm sweet sixteen welcome home brother cake up  
Like an abusing father that's how I shake up the game  
So they respect the name (Young Krizzle)  
moving wrong pursuing  
My father raised me but I was Pac influenced  
This is my movie roll camera action  
No script or rehearsal kinda like ad-lib me (hear me)  
I'm so fresh to death I'm past living  
The way I ghostwrite on the track I'm past killing  
I grow up in a flow I'm past being  
On the top of that I'm from Mississippi

Thank God for the summertime  
It's like it did it just so I can shine  
I get to it like it's overtime  
It's all word no playing I'm not in your life yesterday  
Thank God for the old school gotta choose where I road to  
I give it to it like I owe you  
It's all word no playing I'm not in your life yesterday

I turned a hater into a believer  
I'm the one that they pay to see (I)  
I break bread with the hood 'cause the hood's been good to me (I)  
Now it's the time re-up (here we go)  
Me and my people just So Imma keep busting until the beat drop until I'm on top

Thank God for the summertime  
It's like it did it just so I can shine  
I get to it like it's overtime

It's all word no playing I'm not in your life yesterday  
Thank God for the old school gotta choose where I road to  
I give it to it like I owe you  
It's all word no playing I'm not in your life yesterday
