

Alive

BigBang

I'm still alive I'm still alive I'm still alive
I might look like I'm dying but I won't die
I won't hide from other peoples' stares
They insist for us to fall but I'm alive
I have nothing more to lose so the past is behind us and we jump out
The way I'm falling deeply is graceful right now
I throw myself into the sky I'm free
I've never been more alive I'm still alive

I'm still alive I'm still alive I'm still alive
I'm livin' that I'm livin' that good life
I'm still alive I'm still alive I'm still alive
We livin' that we livin' that' good life
