With U

Oh... Oooooh... Oh... Oooooh... Yeah...

She stands there looking at me I know she's wonderin' If she should kick it with me Cuz you all got that somethin' If she be wanting to freak The shakin' thunderin' And now she's starting to creep up on me

Man she looks so good And she looks so fine Still it takes me high Singing "My Oh My" Got to get with her Have her in my world Hold her in my arms That's forever yo

I wanna rock with u Dance with u Do everything with u Run around in the rain with u Everyday now only u Rock with u Dance with u Do everything with u Run around in the rain with u Everyday now only u.........

It's getting tough in the scene The place is jumping now I grab her hand and proceed To the crowd that's tumbling I really want her with me Some one-on-one romance What she keeps doing to me Got me feelin'...

Man she looks so good And she looks so fine Still it takes me high Singing "My Oh My" Got to get with her Have her in my world Hold her in my arms That's forever yo

I wanna rock with u Dance with u Do everything with u Run around in the rain with u Everyday now only u Rock with u

BigBang

Dance with u Do everything with u Run around in the rain with u Everyday now only u..... I know that you're thinking I won't be right (Oh I can be right) But it's you girl now I made up my mind From here we can start a new wonderful life Always and forever yo (yo, yo) I wanna rock I wanna dance I wanna do everything with you baby that's it Me and you together baby we can be a classic So we can do those kinda things fantastic The bombastic Baby living drastic But for you anything's possible Love (yea, yea) I gotta rock I gotta dance I gotta do everything with a first glance (that's me) Make me wanna get up and run around in my (seat) Baby got me wilin' and you know what (I mean) So fresh, so (clean) So blessed, so lean My honey, My Queen I wanna rock with u Dance with u Do everything with u Run around in the rain with u Everyday now only u Rock with u Dance with u Do everything with u Run around in the rain with u Everyday now only u..... (2x) (Ah, yeah, that's right)
