## **Thinking About You**

## **Bill Monroe**

Now as I sigh the hours away I think of love of yesterday Now I know she's gone away She's in heaven so they say

Will the angels tell her for me That my love will never die Someday I'll walk along beside her On that golden way up there

Now all my life I lived so gaily Until she had to go away Then she left me oh so lonely She lies at rest beneath the clay

Each night I think about you dear I wonder if you'll hold me then When I meet you up in heaven We'll have life eternal there
