

# Almost Love

Billy Gilman

What am I going to get you girl  
I wanna buy you the whole wide world  
All I got is a letter jacket and a mood ring  
Sometimes I see you standing in the hall  
and I can't say a thing at all  
Deep inside I'm writing you poetry  
Yes, I am  
I almost love you  
I can almost feel your kiss  
Almost promise my heart  
But my promise is more like a wish  
Oh, I don't know what all this means  
But girl I can't get you out of my dreams  
Everytime that we get close  
It's almost  
Yesterday I saw you on the hood of a car  
With an older guy, he was playing his guitar  
You gave him your smile, I could have cried but I just froze  
Should I stand up to him  
Should I pick a fight  
Should I get you to run away with me tonight  
I don't know how to get there  
Or where we'd go  
Don't you know  
I almost love you  
I can almost feel your kiss  
Almost promise my heart  
But my promise is more like a wish  
Oh, I don't know what all this means  
But girl I can't get you out of my dreams  
Everytime that we get close  
It's almost  
Love, it's almost the right stuff  
It's almost the flight of a pure white dove  
It's almost true love  
I almost love you  
I can almost feel your kiss  
Almost promise my heart  
But my promise is more like a wish  
Oh, I don't know what all this means  
But girl I can't get you out of my dreams  
Everytime that we get close  
It's almost  
Love, it's almost the right stuff  
It's almost the flight of a pure white dove  
It's almost true love  
It's almost true love  
It's almost the right stuff  
It's almost the flight of a pure white dove  
It's almost true love, yeah
