

Cage

Billy Idol

Screaming in isolation
Walking through desolation alley
Boarded up our ambitions
Flooded out all the engines
I've been punching through the walls, I've been living on the edge
I've been fighting with my demons so long they've become my friends
The zombies at the window say it's finally the end
So I'm kicking down my door and never closing it again

Hey! I'm coming out of my heartless, hopeless rage
I'm coming out of my cell, my broken cage
Woah-oh-oh-oh, woah-oh-oh-oh

Get me out of my cage

Drive you straight out the city
You can live in a ghost town with me
We can dig in the gold mine
Look for treasure we won't find
I can dream all that I want, but I'm not going any place
I can tell you all my feelings when I'm staring into space
And the road is an illusion I just keep to pass the days
I'm counting down the seconds 'til I'm making my escape

Hey! I'm coming out of my heartless, hopeless rage
I'm coming out of my cell, my broken cage
I said, woah-oh-oh-oh, woah-oh-oh-oh, yeah

Hey! I'm coming out of my heartless, hopeless rage
I'm coming out of my cell, my broken cage
I said, woah-oh-oh-oh, woah-oh-oh-oh, yeah

I said, woah-oh-oh-oh, woah-oh-oh-oh
I said, woah-oh-oh-oh (Woah-oh-oh-oh), coming out of my cage
Coming out tonight, yeah
