Daytime Drama

Day by day Hour by hour What haunts my nighttime Sharts my daylight Even good friends Have no answers Beautiful stars You don't want a hard patch Just a few facts It's use and abuse You'd write your story As work for playtime Time for love My beautiful stars Beautiful stars

Don't touch her man I want her over and over again Don't touch her man I want her over and over again

Beautiful stars In my daytime drama When I ask the questions War and answers See you dancing Romancing what I want My beautiful star Beautiful star

Don't touch her man I want her over and over again Don't touch her man I want her over and over and over

Beautiful star Of my daytime drama Yes it's in my hand now You're my hope for a future Beautiful star Of my daytime drama Love to win a boy You're my hope for a future Some are happy and some are amazed Some are devoted Some are saved I was one, but I was saved Again, again Beautiful star of a daytime drama
