

License To Thrill

Billy Idol

Breath of life for which a man must grieve
Blood of love into my heart
Tonight we'll dream, yeah, a license to thrill

I'll sing on, girl, yeah
I'll make you high world
Lovers turn again to dreams
Oh, tonight, a license to thrill

I hear voices screaming louder
Seem to break a spell, watcha gonna do?
I hear voices singing louder, oh, yeah, oh, yeah

Breathe tonight and slowly come down
Touch the stars into my heart
Tonight we'll dream, a license to thrill

Oh, sleeper, yes, restless dreamer
(I'll turn you on, girl)
She comes, face her

(You make me high world)
Untie your lips, untie your hips
And with animal grace, embrace her
(Us turn again to dreams)
Oh, the taste, a license to thrill

I hear voices screaming louder
Seem to break a spell, watcha gonna do?
I hear voices screaming louder
Sing a farewell, watcha gonna do, yeah?

I hear voices screaming louder
Screaming louder into the night
Try to break a spell, I say, yeah,
Sing a last farewell, watcha gonna do?

I'll sing you on, girl, yeah
I'll make you high world
A license to thrill
