

Nobody's Business

Billy Idol

Either way you know they win or lose
You know money talks
You love to watch the green-backs walk
You got a five-buck side-pack
It's your place I was in a rage insane
I wanted your love so bad
Droolin' over green-back poolin'
You got a five-buck side-pack

Yes to make it to here and to tell you something
Cause nobody's business but my own
Well I must have been mad about something
Cause I'm M A D and I spell it for nothing
Nobody's business but my own
What a fool to step into those shoes
You know money talks
Your eyes so paralysed

For love and hate it's just too late
Nobody's business but my own
Nobody's business but my own
Nobody's business but my own
