

# Shades of Grey

Billy Joel

Some things were perfectly clear,  
Seen with the vision of youth  
No doubts and nothing to fear,  
I claimed the corner on truth  
These days it's harder to say  
I know what I'm fighting for  
My faith is falling away  
I'm not that sure anymore

Shades of grey wherever I go  
The more I find out the less that I know  
Black and white is how it should be  
But shades of grey are the colors I see

Once there were trenches and walls  
And one point of every view  
Fight 'til the other man falls  
Kill him before he kills you  
These days the edges are blurred,  
I'm old and tired of war  
I hear the other man's words  
I'm not that sure anymore

Shades of grey are all that I find  
When I look to the enemy line  
Black and white was so easy for me  
But shades of grey are the colors I see

Now with the wisdom of years  
I try to reason things out  
And the only people I fear  
Are those who never have doubts  
Save us all from arrogant men,  
And all the causes they're for  
I won't be righteous again  
I'm not that sure anymore

Shades of grey are all that I find  
When I look to they enemy line  
There ain't no rainbows shining on me  
Shades of grey are the colours I see

Shades of grey wherever I go  
The more I find out the less that I know  
There ain't no rainbows shining on me  
Shades of grey are the colors I see
