

Brown Baby

Billy Paul

Brown baby
You gotta spread the news around

Brown baby
Don't you let your people down

Brown baby
You gotta make your father proud

I only want to take
A few minutes of your time, oh yeah

Try and concentrate and open
Up your mind, oh yeah

Now your've all heard his
Story, now come on and
Listen to the truth
(repeat chorus)

There's three sides to
Every story, there's right
There's wrong and there's
The truth

Don't make no difference
who's right, it's what's right
That gives you the proof

I've heard a lotta people
Say well, to each his own

The only thing wrong with
That is, it's been that
Way too long, oh
(repeat chorus)

We gotta stick together
And help each other in
Time to need

You gotta be extra strong
Because you know what
Happens to the week...
(repeat chorus)
