

# Everything Must Change

Billy Paul

Everything must change  
Nothing stays the same  
Everyone will change  
No one stays the same

The young become the old  
And mysteries do unfold, yes, they do  
But that's the way of time  
Nothing and no one stays the same

You're everything in life  
It can't be sure except...

Rain comes from the clouds  
Sun lights up the sky  
Hummingbirds do fly

Winter turns to spring  
A wounded heart will hurt  
But never much too soon  
Everything must change

You're everything in life  
It can't be-e so sure of except...

Rain comes from the clouds  
Sun lights up the sky  
Hummingbirds do fly

Rain comes from the clouds  
Sun lights up the sky  
Hummingbirds do fly

Rain comes from the clouds  
Sun lights up the sky  
Hummingbirds do fly
