

On a Clear Day

Billy Paul

On A Clear Day You Can See Forever

Tony Bennett

Words by Alan Jay Lerner and Music by Burton Lane

From his "Something" LP: Columbia 30280

This version did not chart but

In 1965, Johnny Mathis took it to # 98

Title song from the Broadway show starring Barbara Harris

And the film starring Barbra Streisand and Yves Montand (unforgettable as he

sang "Come Back to Me" while standing on a parking garage roof)

On a clear day, rise and look around you

And you'll see who you are

On a clear day how it will astound you

That the glow of your being outshines every star

You'll feel part of ev'ry mountain, sea, and shore

You can hear from far and near a world you've never heard before

And on a clear day, on that clear day

You can see forever and ever more

You can hear from far and near a world you've never heard before

And on that clear day, on that clear day

You can see forever and ever and ever and ever and ever and ever
