

# The Freebird Fell

Billy Ray Cyrus

I was just a teenage boy on my way to school  
Mama mad at me for me 'cause I turned on the news  
Details still uncertain as I put on my shoes  
Wasn't sure what happened but I knew I had the blues.

Cause that's the day the freebird fell  
Oh, I remember it well  
So many cried when Ronnie died  
He never said farewell  
What he'd say in a southern song  
Stories told still here long  
The day the freebird fell.

Pulled myself together and I went on my way  
Missed the bus on purpose so I could walk that day  
Tuesday's Gone and Simple Man Play on in my mind  
Sweet Home Alabama, Curtis Loew and One More Time

'Cause that's the day the freebird fell  
Oh, I remember it well  
So many cried when Ronnie died  
He never said farewell  
What he'd say in a southern song  
Stories told still here long  
The day the freebird fell.

Freebird fell  
Freebird fell, mmmmm.

Many years have come and gone, a lot of things have changed  
Father time has passed me by one thing stayed the same  
When I'm feeling lonely, when I'm feeling blue  
I crank up some of that good ol' honkey, Lord I think of you.

Back to the day the freebird fell  
Oh, I remember it well  
So many cried when Ronnie died  
He never said farewell  
What he'd say in a southern song  
Stories told still here long  
The day the freebird fell.

Freebird fell

Gimme three steps, you got that right  
Oooo that smell  
Simple man was comin' home  
The day the freebird fell.

I was just a teenage boy on my way to school...
