```
I hear your footsteps down the hall
I check my messages but I don't hear you call
I think of days gone by
And now I wonder why you left me
But I can't go on without you
Without you
Sometimes I wander on my way
Sometimes I just break down and pray
Sometimes I think of you
And I don't know what to do and I wonder
How I will go on without you?
How I will go on without your love?
Without you
No, I can't go on without you, without you
I can't stop missin' you
Oh, if I only knew, do you miss me?
'Cause I can't go on without you
I can't go on without you
I can't go on without your love
Without you
No, I can't go on without you
No, I can't go on without you
Oh no, no, no, no
I hear your footsteps down the hall
I check my messages
But I don't hear you call
And once again, I'm all alone
Without you
No, I can't go on without you
No, I can't go on without you
No, I can't go on without you
No. I can't go on without you
No. I can't go on without you
