## **Cold Turkey**

## **Billy Talent**

Temperatures rising Fever is high Can∳t see no future Can∳t see no sky

My feet are so heavy So is my head I wish I was a baby I wish I was dead

Cold turkey has got me on the run

My body is aching Goose-pimple bone I can t see no body Leave me alone

My eyes are wide open I can t get to sleep One thing I m sure of I m in at the deep freeze

Cold turkey has got me on the run Cold turkey has got me on the run

Thirty-six hours
Rolling in pain
Iom praying to someone
To free me again

Oh I lease make me well
I promise you anything
Get me out of this hell

Cold turkey has got me on the run Cold turkey has got me on the run Cold turkey has got me on the run
