

Is Christmas Only A Tree

Bing Crosby

Is Christmas only a tree?
Just only snow and candle glow
And dear old parlours hung with mistletoe
Is Christmas only a tree ?
Just frosted air, and angel hair
And Christmas carols ringing everywhere?
I seem to see, beyond the tree
To where the angels sing
Hosanna's ring, to heaven's king
And then at last my heart is answering...

Is Christmas only a tree ?
The answer is from long ago
Where-ever there's a tree... my heart will know
And when Christmas church bells ring
My heart will know.
