Rockets

Bitch Alert

I fly to the star and pick you up with me I fly to star and pick you up I want many rockets many rockets I want To blow up your mind to blow your mind

Soleil - and they all want you down Soleil - and they all want you down To the light

I fly to the star and pick you up with me After your sunny trips I'll pick you up I want many rockets many rockets I want To blow up your mind to blow your mind, your mind
