

## Sick Boy

**Bitch Alert**

Mama's yelling to him  
He's no bigger than the others  
What made him so bad?  
He hates all the mothers

He got in to the hospital  
Doctors giving him medicines  
What made him so bad?  
Red wine like his blood

No sorry for anyone  
I wanna die, I want so high

He was crying with the other guy  
Bloody tears in the bathroom  
He was crying so alone  
In the hospitals toilet
