

Church

BJ The Chicago Kid

She say she wanna drink, do drugs and have sex tonight
But I got church in the mornin', church in the mornin'
She say she wanna drink, do drugs and have sex tonight
But I got church in the mornin', church in the mornin'

Hopefully we can go to heaven, I pray
Hopefully we can go to heaven, cause I'm staying
Hopefully we can go to heaven, I pray
Hopefully we can go to heaven, cause I'm staying, I'm staying

Amazing grace
It's hard to say no when it's looking so good in my face
Girl all them curves got me on a swerve when I'm tryna drive straight
If you called me on another day, baby girl I probably woulda took that cake
Cause every nigga love birthday cake

And every time I come around I can tell you be looking at me
And I can tell you be wondering if I'm really loving what I see
It'll be wrong if we get along, because I know me
But still I try and be strong, say "b keep your G on", but she ain't tryna hear me

She say she wanna drink, do drugs and have sex tonight
But I got church in the mornin', church in the mornin'
She say she wanna drink, do drugs and have sex tonight
But I got church in the mornin', church in the mornin'

Trouble in my way
Was spit in my ear, she didn't have good uhh, since last May
And she know I could change all that if I want to, right now, today
Straight put her in her place, make her ass wanna stay
Now I can never get away

Cause every time I come around I can tell you be looking at me
And I can tell you be wondering if I'm really loving what I see
It'll be wrong, if we get along, because I know me
But still I try and be strong, say "b keep your G on", but she ain't tryna hear me
She ain't tryna hear me, she ain't tryna hear me

She say she wanna drink, do drugs and have sex tonight
But I got church in the mornin', church in the mornin'
She say she wanna drink, do drugs and have sex tonight
But I got church in the mornin', church in the mornin'

Hopefully we can go to heaven, I pray
Hopefully we can go to heaven, cause I'm staying
Hopefully we can go to heaven, I pray
Hopefully we can go to heaven, cause I'm staying, I'm staying

Hot as hell in the fur coat, walls like Jericho
Pussy like hurr ya go
Loud like church folk, heavy like work load
How you like miracles?
Never sang, Kirk F, bang like Kirko
Ankle like Kurt came back like Derrick Rose
She always getting her own way

When I try, she always say
"Hey I don't wanna get saved, don't wanna be saved"
Pray that one of these days she'll wanna behave
Keep my head up, I wrap the sliver round the cloud
I went to junior church, little children running round
I'm like "what he gave ya? I'm just tryna save ya
I got something saved up in case you come around"

She say she wanna drink, do drugs and have sex tonight
But I got church in the mornin', church in the mornin'
She say she wanna drink, do drugs and have sex tonight
But I got church in the mornin', church in the mornin'

Hopefully we can go to heaven, I pray
Hopefully we can go to heaven, cause I'm staying
Hopefully we can go to heaven, I pray
Hopefully we can go to heaven, cause I'm staying, I'm staying
(Hot as hell in the fur coat)
Hopefully we can go to heaven, I pray
(Walls like Jericho, pussy like hurr you go)
Hopefully we can go to heaven, cause I'm staying
(Loud like church folk, heavy like work load
How you like miracles?)
Hopefully we can go to heaven, I pray
(We can go to heaven)
Hopefully we can go to heaven
(We can go to heaven)
Cause I'm staying, I'm staying
