

Fall Into My Love

Black Box

Well, it's not that i'm just losin' ground
I just might have tried to get around
Well i feel so clever
When we are together
Now you stole my words, you stole my love

Like a shining moon up in the sky
Everybody's got a place to hide
Well, I'm feelin' better
Now that you're with me
Oh, it will be fine together,
Fall into my love

Fall into my love, baby...

I'm just gonna give you a dressing down
If you take my love and let it die
'cause i feel so clever
When we're together
Now you stole my words, you stole my love

Now you've got to tell me you know it's love
And by what they say there must be more
When i see your face all i see
Is just the scar that love has left
We'll be feeling so much better,
Fall into my love

Fall into my love, baby...

Don't you know
I never found myself
Let me tell you i've been waiting
Something i, will find
Just to please you, something special
Fall into my love, baby...
