

Duro Hard

Black Eyed Peas

Tócalo, touch it, duro, harder
Tócalo, touch it, duro, harder

Baby, I want you all over me
I don't want it if it ain't rough (Rough)
Get a little hot when you close to me
Every touch is giving me a rush (Rush)
One shot, two shot, wasted, baby
Might've had enough
Hold me like remote, you're controlling me
Tócalo, touch it, duro, harder

Muévelo, muévelo su cuerpo
Con sexy movimiento
No se mueve suave, she move it duro
Tócalo, touch it, duro, harder
Vámonos, vámonos a perrear
Damn sexy, oh my God
She don't like it suave, she likes it hard
Tócalo, touch it, duro, harder

Duro (Duro), mo-move it like that
Duro (Duro), mo-move it like that
Duro (Duro), you know I like it
Tócalo, touch it, duro, harder
Duro (Duro), mo-move it like that
Duro (Duro), you know I like it
Duro (Duro), baby, you might get duro
Y no me vas a olvidar

Tócalo, touch it, duro, harder
Muévele, shake it, fuego, hotter
Break it, rómpelo, tíralo, drop it
Pégale, smack it, harder, hard
Give it to me, dámelo, love fantastic
That's so, sexo climactic
Push it, tócalo, touch it, fuck it
Tócalo, touch it, duro, hard

Muévelo, muévelo su cuerpo
Con sexy movimiento
No se mueve suave, she move it duro
Tócalo, touch it, duro, harder
Vámonos, vámonos a perrear
Damn sexy, oh my God
She don't like it suave, she likes it hard
Tócalo, touch it, duro, harder

Duro (Duro), mo-move it like that
Duro (Duro), mo-move it like that
Duro (Duro), you know I like it
Tócalo, touch it, duro, harder
Duro (Duro), mo-move it like that
Duro (Duro), you know I like it
Duro (Duro), baby, you might get duro
Y no me me vas a olvidar

Bésalo, kiss it, pop it, twist it
Sacúdelo, shake terrific
Yeah Barbara, goddamn
Mírala, look at her, mírala, damn
Tócalo, touch it, muévele, shake it
Break it, rómpelo, tómalo, take it
Give it to me, dámelo, drop it, tíralo
Pégale, smack it, harder, hard

Baby, I want you all over me (Touch it)
