

# Missing You

Black Eyed Peas

I can't stand another night  
Stand another night without you

Since you've been away  
Everythings don't seem like they used to be  
Between you & me  
Cause I'm missing you  
I'm missing you, love

I'm missing you  
I'm missing you, love  
I'm missing you, love  
I'm missing you, love

Yeah yeah yeah  
Everyday everyday that you gone  
I'm singing out that sad song  
If loving you is wrong  
Then it must be wrong  
Even if when I'm gone  
Our love is strong  
You're the one I want  
You're my number one  
I love you, not a fashion  
I need to love your passion  
But love is everlasting

Since you've been away  
Everythings don't seem like they used to be  
Between you & me  
Cause I'm missing you  
I'm missing you, love

I'm missing you  
I'm missing you, love  
I'm missing you, love  
I'm missing you, love

When I'm out on the road  
Roking them shows  
Opening monical  
Making you go  
What a? you search  
And glamorous  
But I miss you church  
Yeah I miss you church  
I spent all my time  
With you & me  
My minds on you  
Cause all I want is missing you

Since you've gone away  
Everythings don't seem like they used to be  
Between you & me  
Cause I'm missing you  
I'm missing you, love

I'm missing you  
I'm missing you, love  
I'm missing you, love  
I'm missing you, love

Without your love  
You girl like? love  
Can't live without your love  
What's it like without your love  
The whole world sucks without your love  
Can't live without your love  
Can't live without your love  
What me without your love
