

# One Tribe

## Black Eyed Peas

Whoa-oh-oh-oh-oh!  
Whoa-oh-oh-oh-oh-oh!  
Woah-oh-oh-oh-ooooh!  
Oh-woah-oh!

One Tri...  
One Tri...  
One Tribe, one time, one planet, one race  
It's all one blood, don't care about your face  
The color of your eye or the tone of your skin  
Don't care where ya are  
Don't care where ya been  
Cause where we gonna go  
Is where we wanna be  
The place where the little language is unity  
And the continent is called Pangaea  
And the main ideas are connected like a spear  
No propaganda, They tried to upper hand us  
Cause man I'm loving this peace  
Man, man, I'm loving this peace  
Man, man, I'm loving this peace  
I don't need no leader  
That's gonna force feed a  
Concept that make me think I need to  
Fear my brother and fear my sister  
And shoot my neighbor or my big missile  
If I had an enemy to {enemy}  
If I had an enemy to {enemy}  
If I had an enemy, then my enemy is gonna try to come and kill me  
Cause I'm his enemy  
There's one tribe ya'll

One tribe ya'll  
One tribe ya'll  
One tribe ya'll  
We are one people  
Let's cast amnesia, forget about all that evil  
Forget about all that evil, that evil that they feed ya  
Let's cast amnesia, forget about all that evil  
That evil that they feed ya  
Remember that we're one people  
We are one people  
One people, one people {One People}  
One people, one people {One People}  
One people, one people {One People}

One tribe, one tribe  
One tribe, one time, one planet, one {race}  
Race, one love, one people, one {and}  
Too many things that's causing one {to}  
To forget about the main cause  
Connecting, uniting  
But the evil is seen and alive in us  
So our hopes are colliding  
And our peace is sinking like Poseidon  
But, we know that the one {one}  
The evil one is threatened by the sum {sum}

So he'll come and try and separate the sum  
But he dumb, he didn't know we had a way to overcome  
Rejuvenated by the beating of the drum  
Come together by the cycle of the hum  
Freedom when all become one {one}  
Forever

One tribe ya'll  
One tribe ya'll  
One tribe ya'll  
We are one people  
Let's cast amnesia  
Forget about all that evil {evil}  
Forget about all that evil {evil}  
That evil that they feed ya  
Let's cast amnesia  
Forget about all that evil {evil}  
That evil, that they feed ya {feed ya}  
Remember that we're one people  
We are one people  
One people, one people {One People}  
One people, one people {One People}  
One people, one people {One People}

One love, one blood, one people  
One heart, one beat, we equal  
Connected like the internet  
United that's how we do  
Let's break walls, so we see through  
Let love and peace lead you  
We could overcome the complication cause we need to  
Help each other, make these changes  
Brother, sister, rearrange this  
The way I'm thinking that we can change this bad condition  
Wait, use you mind and not your greed  
Let's connect and then proceed  
This is something I believe  
We are one, we're all just people

One tribe ya'll  
One tribe ya'll  
One tribe ya'll  
We are one people  
Let's cast amnesia  
Forget about all that evil  
Forget about all that evil, that evil that they feed ya  
Let's cast amnesia  
Let's cast amnesia, forget about all that evil  
That evil, that they feed ya  
We're one tribe ya'll  
We people, we people  
One tribe ya'll  
One people, one people {One People}  
One people, one people {One People}  
One people, one people {One People}  
One people, one people {One People}  
One people, one people {One People}  
One people, one people {One People}

Let's, let's cast amnesia  
Lord help me out  
Trying to figure out what it's all about {what it's all about}  
Cause we're one in the same {one in the same}

Same joy, same pain  
And I hope that you're there when I need ya  
Cause maybe we need amnesia  
And I don't wanna sound like a preacher  
But we need to be one

One world, one love, one passion  
One tribe, one understanding  
Cause you and me can become one
