

Tonta Love

Black Eyed Peas

Tonta, tonta
Tonta, tonta, tonta
Loving you, loving you is making me tonta
Loving you, loving you is making me tonta
Making me tonta, making me tonta
Tonta, tonta

You got me crazy for your love
Tú eres mi baby, I'm feelin' buzzed
Your love is amazin', I love what it does
Got me feelin' so high, I'm floating up above
I'm faded from your love
I'm feelin', I'm feelin' buzzed
Your love is amazing, it feels like a drug
I'm losing my mind
I go stupid, I go stupid for love

Loving you, loving you is making me tonta (Tonta)
Loving you, loving you is making me tonta (Tonta)
Loving you, loving you is making me tonta
Loving you, loving you, loving you, loving you
Loving you is making me tonta

I'm losing my mente (Ayy)
Just like I was hittin' la frente (Yo)
People be telling me, telling me
Believe you, but I be ignoring mi gente (Yo)
I do not listen to nada (Nada)
I am an enough so don't bother
You get me high like I smoke marihuana
I'm drunk off your love like it's piña colada (Wah)
I am so faded, I fade away
Run away with you, we run away
I am not lookin' the other way
Killin' me softly but you put the gun away (Wah)

I'm loving you all the way
You got my heart in your hand so don't hurt me
Mercy, say mercy, mercy don't hurt me
Loca, go loca, for you I go crazy

For your love, tú eres mi baby
I'm feelin' buzzed
Your love is amazing, I love what it does
Got me feelin' so high, I'm floating up above
I'm faded from your love
I'm feelin', I'm feelin' buzzed
Your love is amazing, it feels like a drug
I'm losing my mind
I go stupid, I go stupid for love

Loving you, loving you is making me tonta (Tonta)
Loving you, loving you is making me tonta (Tonta)
Loving you, loving you is making me tonta
Loving you, loving you, loving you, loving you
Loving you is making me tonta

I'm lovin' the feelin' (Ayy)
Got me walkin' on the ceilin' (Ayy)
People keep tellin' me, tellin' me
Wake up just wake up but I keep on dreamin'
Y'all haters can't tell me nothing
I am in love don't be judging
You get me high like I'm jumpin', I'm jumpin', I'm jumpin'
I'm smoking on somethin' (Ah)
High like I'm smoking the "la-la-la" (Wah)
Falling in love like it's "fa-la-la" (Wah)
If love is illegal, let's break the law
And you dancing like "cha-cha-cha-cha-cha-cha" (Wah)

I'm loving you all the way
You got my heart in your hand so don't hurt me
Mercy, say mercy, mercy don't hurt me
Loca, go loca, for you I go crazy

For your love, tú eres mi baby
I'm feelin' buzzed
Your love is amazing, I love what it does
Got me feelin' so high, I'm floating up above
I'm faded from your love
I'm feelin', I'm feelin' buzzed
Your love is amazing, it feels like a drug
