

# Bastard In Love

Black Flag

C G F# (2x)

C G F# C G F#

Bastard in love, theres no turnin' back

C G F# G C

punish your lover and then turn your back

C G F# C G F#

punish your futer despite your past

C G F# G

love turns to hate with every spell you cast

F# C

you keep waitin' for the love that you wanna feel

F#

but you never belive it when they tell that love is real

C G F#

you keep wishin' but

My love is real my love is real my love is real

C C F# C G F#

bastard in love they push you shove

C G F# C

theres no point in asking we'll never know why

C C F# C G F#

you want but don't listn and sit home and cry

C G F# C

my heart sits further than each of your lies

F# C

you keep waitin' for the love that you wanna feel

F#

but you never belive it when they tell that love is real

C G F#

you keep wishin' but

My love is real my love is real my love is real my love is real

Yeah!

F# C

You keep waitin' for the love that you wanna feel

F#

but you never belive it when they tell that love is real

C G F#

you keep wishin' but

My love is real my love is real my love is real

C G F# C G F# C G F# G

bastard in love I can't help my feel and what I feel I feel

to the end there may be no right and there may be no wrong

C G F#

but there is pain and it always lasts too long

you keep wishin' but

my love is real my love is real my love is real

C G F#

MY LOVE IS REAL!
