

Down in the Dirt

Black Flag

Why ask me what you already know
You squeal like a pig for me to put on a show
Can we just expense with shout of monster trees
Cause down in the dirt why do us like leaves

When I'm down in the dirt, that's when I feel the pain
Down in the dirt, it's my pleasure terrain
When I'm down in the dirt, that's when I feel real
Down in the dirt, yeah I'm a man of steel

My trust but make it to my sleep
Despise, this is hypocrisy
No lies, when I'm down on my knees

I'm down in the dirt
Yeah, I'm down in the dirt
I'm down
Down
Yeah, I'm down
Yeah, I'm down

Come down from you're outta the tower
I'm not amused by hissy 15 year old power
Fiction romance all the things that you say
Come down in the dirt and play

When I'm down in the dirt, that's when I feel the pain
Down in the dirt, it's my pleasure domain
When I'm down in the dirt, that's when I feel real
Down in the dirt, yeah I'm a man of steel

I trust but make it to my sleep
Despise, this is hypocrisy
No lies, when I'm down on my knees

I'm down in the dirt
Yeah, I'm down in the dirt
I'm down
I'm looking up
And I don't give a rats ass

When I'm down in the dirt, that's when I feel the pain
Down in the dirt, it's my pleasure domain
When I'm down in the dirt, that's when I feel real
Down in the dirt, yeah I'm a man of steel

I trust but make it to my sleep
Despise, this is hypocrisy
No lies, when I'm down on my knees

I'm down in the dirt
Yeah, I'm down in the dirt
I'm down
Yeah, I'm Down
I'm down
Yeah, I'm down
