

# All The Emotions

Black Kids

I want to fall in love  
Show me how to fall in love  
I want to fall in love  
Show me how to fall in love

You say you've been in love  
But only the once  
I want to fall in love,  
But how is it done?

Does it hurt?  
Does it make you question your worth?  
Is there something we all deserve?  
Is it earned? Can I learn from you?

I want to fall in love  
Show me how to fall in love  
I want to fall in love  
Show me how to fall in love

You say you've been in love  
And it wasn't fun  
I've never been in love  
But the heart wants what it wants

I wanna wanna wanna fall in love  
I wanna wanna wanna fall in love

I want to fall in love  
Show me how to fall in love

A million and one emotions  
A million and one emotions, not enough  
A million and one emotions  
A million and one emotions in your heart, in your heart

Am I falling in love  
With you?  
Are you falling in love  
With me?  
Am I falling in love  
With you?  
Are you falling in love  
With me?

I want to fall in love  
Show me how to fall  
I want to fall in love  
Show me how to fall  
Show me how to fall
