

I'm Not Gonna Teach Your Boyfriend How To Dance With You

Black Kids

You are the girl that I've been dreaming of ever since I was a little girl

You are the girl that I've been dreaming of ever since I was a little girl

One,

I'm biting my tongue

Two,

He's kissin' on you

Three,

Oh, why can't you see?

One! Two! Three! Four!

The word's on the streets and it's on the news

I'm not gonna teach him how to dance with you.

He's got two left feet and he bites my moves.

I'm not gonna teach him how to dance, dance, dance, dance

The second I do, I know we're gonna be through.

I'm not gonna teach him how to dance with you.

He don't suspect a thing. I wish he'd get a clue.

I'm not gonna teach him how to dance, dance, dance, dance

The word's on the streets and it's on the news

I'm not gonna teach him how to dance with you.

He's got two left feet and he bites my moves.

I'm not gonna teach him how to dance, dance, dance, dance

The second I do, I know we're gonna be through.

I'm not gonna teach him how to dance with you.

He don't suspect a thing. I wish he'd get a clue.

I'm not gonna teach him how to dance, dance, dance, dance

The word's on the streets and it's on the news

I'm not gonna teach him how to dance with you.

He's got two left feet and he bites my moves.

I'm not gonna teach him how to dance, dance, dance, dance

The second I do, I know we're gonna be through.

I'm not gonna teach him how to dance with you.

He don't suspect a thing. I wish he'd get a clue.

I'm not gonna teach him how to dance, dance, dance, dance
