

Rookie

Black Kids

You're flirting with the camera
You feel the male gaze
You never shy away
When they photograph
You're looking in the mirror
Or talking to me
I want you bad, but you
Don't love me back

I want to dance
But there's no one around
There ain't a heartbeat in this whole damn town

Her love became a touch
Her touch became a kiss
That kiss became too much
And know it's come to this
Her promise [?]
That was a year ago
I'm much more wiser now
Don't act like you don't know
I'm not a rookie anymore
I'm not a rookie anymore
I'm not a rookie anymore
I'm not a rookie anymore

You tried [?]
But that was short lived
You know I can't not
Burn a bridge
Like everyone attractive
I get but don't give
I did the math and know
I could be a bitch

We used to dance
All alone in the house
But now we don't speak
When we're hopping about
I want to dance
But there's no one around
There ain't a heartbeat, heartbeat
There ain't a heartbeat, heartbeat

Her love became a touch
Her touch became a kiss
That kiss became too much
And know it's come to this
Her promise [?]
That was a year ago
I'm much more harder now
Don't act like you don't know
I'm not a rookie anymore
I'm not a rookie anymore
I'm not a rookie anymore
I'm not a rookie anymore

Her love became a touch
Her touch became a kiss
That kiss became too much
And now it's come to this
Her promise [?]
That was a year ago
I'm much more wiser now
Don't act like you don't know
Pretend like you don't know
Oh, you don't even know

I'm not a rookie anymore
I'm not a rookie anymore
I'm not a rookie anymore
I'm not a rookie anymore
I'm not your rookie
I'm not your roo-kie
I'm not your rookie
I'm not your roo-kie
