

## Berserkers

Black Label Society

Smokin', trippin', drinkin', never thinkin' what's to be  
Another day, another war has come to set me free  
The cage is broke, the tank is full, it's where the violence rules  
Drinkin' booze and raisin' rifles, hell straight through and th  
rough

A never ending rolling nightmare with no end in sight  
I start to drink, get high and smashed, it gets me feeling righ  
t  
The cage is broke, the tank is full, it's where the violence ru  
les  
Drinkin' booze and raisin' rifles, hell straight through and th  
rough

Drinkin', pukin', pissin', and fightin'  
Startin' all over again  
Drinkin', pukin', pissin', and fightin'  
Startin' all over again  
Drinkin', pukin', pissin', and fightin'  
Startin' all over again  
Drinkin', pukin', pissin', and fightin'  
Startin' all over again

Where I go and where I rise, I couldn't give a damn  
Another shot, another beer, is all that I have planned  
The cage is broke, the tank is full, it's where the violence ru  
les  
Drinkin' booze and raisin' rifles, hell straight through and th  
rough
