## **New Hunger**

## **Black Light Burns**

Pulling on your lazy arms Get up out of bed There's vanity In the holes from which we bled Your armies have come and gone Silence on the battleground This insurgence was just enough to see them drowned

You wanna swim with us, you've gotta get to the water

Take me to your mountain Tear down the waterfall It's comming near Listen you can hear it call So put a coin inside your mouth And wade out to your knees You crumble down And give yourself to the sea

You wanna swim with us, you've gotta get to the water
