

Escape

Black Majesty

Twisted in this cell
This silence kills
The silence kills the mind
Darkness has entombed
I cannot live
I cannot live in fear

Most of my life I'm in hell
The other in heaven
And I don't know why
Can someone set me free

Escape my life
How can I ever live
Without no regrets?
Escape this time
I can't live

Tearing flesh from bone
Now can you see
Now can you see the man
Fragment memories
Am I insane?
I've gone and lost my mind
