

Why Do You Love Your Guns?

Black Star Riders

I woke up sad, the sun was shining
The coffee enlightening
The birds were singing but I woke up sad

I woke up scared, feel my heart beating
If seeing is believing, hope that I'm still dreaming
I woke up scared, I woke up scared

When everything is broken
There's nothing left to fix
Don't matter where the bullet comes
Why do you love your guns more than your kids?

I woke up lonely, time moved so slowly
I remember only, the good cuz the bad won't forget you
I won't forget you, I woke up lonely

When everything is broken
There's nothing left to fix
Don't matter where the bullet comes
Why do you love your guns more than your kids?

Love is the only thing in this world
For what it's worth
Love is the only thing in this world
That doesn't hurt

I woke up early, thinking it was late
Realized all my mistakes, I didn't change
I just woke up, I just woke up

When everything is broken
There's nothing left to fix
Don't matter where the bullet comes
Why do you love your guns more than your kids?
Why do you love your guns?

When everything is broken
There's nothing left to fix
Don't matter where the bullet comes
Why do you love your guns more than your kids?

Love is the only thing in this world
