I like to live my life on the edge No one can stop me, no Now it's too late

Never thinking twice about what I do I'm like a savage animal on the loose

Live fast
Oh you gotta die young
Live fast
Oh you gotta die young
Oh, yeah

I live my life
Don't wanna waste no time
I don't need no rules
All I touch is mine

Never thinking twice about what I do I'm like a savage animal on the loose

Live fast
Oh you gotta die young
Live fast
Oh you gotta die young
Oh, yeah

Rippin' and shreddin' at speeds faster than Hell
No one's gonna stop me now
Not even time will tell
Crashin' through the walls of time
Explosions from below
No one's gonna stop this ride
The doors of time will blow

Live fast
Oh you gotta die young
Live fast
Oh you gotta die young

Live fast (Fast)
Oh you gotta die young (Young)
Live fast (Fast)
Oh you gotta die young (Young)
